Hosted by Fairwinds Golf Course

June 28—July 2

That First Exposure to Golf...  
Let's Make it Count

Golf "FORE" Kids, an introduction to golf, is for youngsters who have never played golf. Each child receives one week of instruction by Golf Professionals, a set of clubs and the golf paraphernalia necessary to get started.

Half day sessions will be filled with information on golf rules and etiquette and outings to enhance learning about the game, the equipment and even golf course maintenance. Friendly competition will be explored through games and team building.

Scholarships for those who qualify are available to cover the \$125 fee to attend. Local Businesses and Individuals may also sponsor a child for a \$125 donation.

## ST. LUCIE COUNTY AMATEUR GOLF ASSOCIATION

St. Lucie County Amateur Golf Association (SLCAGA) is dedicated to the promotion of golf to young people in the local area. SLCAGA offers the **Golf "FORE" Kids** program as the first step, the introduction of youngsters, who would otherwise never have the opportunity to experience golf, to the game.

A secondary but very important outcome of **Golf "FORE" Kids** is the assimilation of information about affordable golfing opportunities and financial aid in and around St. Lucie County for all skill levels of young golfers through high school.

If you know some young person who is qualified to participate in **Golf "FORE" Kids** and deserves a chance, sponsorship is an option for you. For \$125 you can support the enrolment of one child and will be privileged to join that child in 9 holes of golf on the last day of the program. If you are interested, call 772-462-2722.
